# STATE OF CALIFORNIA - DEPARTMENT OF SOCIAL SERVICES CALIFORNIA STATE BAR - ATTORNEYS

The State Bar of California is a voluntary bar association of attorneys licensed to practice law in the State of California. The State Bar is organized into local bars in each county and a State Bar Council. The State Bar is not a government agency and does not have the power to regulate the practice of law or to discipline attorneys. The State Bar's primary purpose is to promote the highest quality of legal services to the public through the self-regulation of the legal profession. The State Bar achieves this purpose through its various programs and activities, including the provision of continuing legal education, the promotion of public access to the legal system, and the advancement of the public interest through the self-regulation of the legal profession. The State Bar is committed to the highest standards of ethical conduct and to the promotion of the public interest through the self-regulation of the legal profession.
