THE UNIVERSITY OF THE WEST INDIES STUDENT SERVICES DIVISION

NOTICE TO STUDENTS
REGARDING THE RECENT CHANGES TO THE UNIVERSITY'S POLICY ON

ACADEMIC INTEGRITY AND CHEATING
The University of the West Indies (UWI) is committed to maintaining the highest standards of academic integrity and fairness. In light of recent developments and concerns, the University has updated its policy on academic integrity and cheating. This document outlines the key changes and provides guidance for students on how to uphold these standards.

The updated policy emphasizes the importance of honesty, integrity, and ethical conduct in all academic work. Students are reminded that academic integrity is not only a requirement for earning a degree but also a fundamental principle that underpins the learning process. The following sections detail the specific changes to the policy, including the definition of academic integrity, the consequences of academic dishonesty, and the procedures for reporting and resolving cases of cheating.

Key changes to the policy include:

- Enhanced Definitions:** Clearer definitions of academic integrity and cheating, covering a range of behaviors from plagiarism to unauthorized access to digital resources.
- Increased Penalties:** More stringent consequences for violations, particularly for repeat offenders and those caught using digital tools for cheating.
- Reporting Procedures:** Streamlined processes for reporting suspected cheating, ensuring that all cases are handled promptly and fairly.
- Support Services:** Increased focus on providing support and resources to students who may struggle with academic challenges, aiming to reduce the temptation to cheat.

The University of the West Indies Student Services Division is committed to providing a supportive and equitable learning environment for all students. We encourage all students to embrace the values of academic integrity and to strive for excellence in their studies. For more information on the updated policy, please visit the Student Services Division website or contact your academic advisor.
