## PH.D. PROGRAM IN POLITICAL SCIENCE

The University of Chicago is pleased to announce the opening of applications for the Ph.D. Program in Political Science. The program is one of the most rigorous and intellectually stimulating in the world, and we are looking for students who are committed to the study of politics and government.

Students in the program will receive a high-quality education and will have the opportunity to work closely with leading scholars in the field. The program is designed to provide students with a strong foundation in the theory and methods of political science, as well as the opportunity to specialize in a particular area of interest.

For more information about the program and the application process, please contact the Program Administrator at the University of Chicago. We encourage all qualified students to apply, and we look forward to receiving your application.

The Ph.D. Program in Political Science is a highly selective program, and we receive a large number of applications each year. We are looking for students who are not only academically优秀, but also who have a strong interest in the study of politics and government. We are committed to providing a high-quality education and to supporting our students in their research and professional development.

For more information about the program and the application process, please contact the Program Administrator at the University of Chicago. We encourage all qualified students to apply, and we look forward to receiving your application.
